## PRIMEUR SOFTWARE PRODUCT BULLETIN

### PRODUCT LIFECYCLE ANNOUNCEMENT

EOD (End of Development) NOTIFICATION PROCEDURE #: PRM-19-0002

Dear Primeur Customer,

Today we are announcing the End-of-Development of

- **PRIMEUR SPAZIO MFT/S™**

MILESTONE	DEFINITION	DATE
End-of-Development (EOD) Notification Date	The date of the document that announces end-of-life, end-of-sales, end-of-development, and/or end of services and support	April 30, 2019
End-of-Development (EOD) Date	The date after which no further ordinary software development will be planned and performed on the product(s) (except for "fix" and "security patch").	June 30, 2019

Service and Support: Service and Support for Spazio MFT/S™ will be guaranteed in compliance with all outstanding contracts

#### Reason for Termination of Development:

New technology, new software solution and a new Data Integration Platform has been developed and made available as from 2019 by Primeur.

Secured MFT (Managed File Transfer) software solution is now a specific capability of Primeur new HIP (Hybrid Data Integration Platform).

#### Replacement Product:

Primeur Ghibli Next™ (MFT Capability) 2.1.5 and following versions
